

# KHADIR MOHIDEEN COLLEGE – ADIRAMPATTINAM

## STUDENT SATISFACTION SURVEY (SSS) ON OVERALL INSTITUTIONAL PERFORMANCE (2019-2020)

**STUDENTS:**

Grievances Raised	Remedial Measures Initiated
Imparting of Soft skills, life skills and employability skills not up to expected levels	Language teachers attached to English Dept are tasked to focus on those skill sets to bridge the perceived deficiency
Usage of ICT tools in class room teaching	The concern was noted for taking correcting measures by way of exploring possibilities to equip majority of classes with ICT tools
Text books and Reference books availability not in sufficient numbers and inadequate digital section in library	The institution is in transition stage and the existing stock of libraries is replaced with new acquisitions progressively
Enabling students with multiple opportunities for growth and development	The institution is diversifying its role by facilitating acquisition of additional skills apart from core domain related knowledge

**TEACHERS:**

<b>Grievances Raised</b>	<b>Remedial Measures Initiated</b>
Enrichment of Curriculum	As the Institution is an affiliating one, it has to confine itself to the syllabus prescribed it. Hence, the scope for enlargement of its ambit to suit students evolving needs remain a felt need.
Robustness of Internal Assessment System	Though the present system of governance on Internal Assessment Procedure is evolving rapidly, it has been updated on continual basis
The handicap in empowering girl students in Co-Educational learning atmosphere	Women Empowerment measures are taken care of by a dedicated all women team headed by a woman faculty by organizing specialized programmes towards this end.
Non- Institutionalization of Learning Management System	Special focus is given on equipping students with LSRW skills by attaching high priority.

**PARENTS:**

<b>Grievances Raised</b>	<b>Remedial Measures Initiated</b>
Updation of Student Progress	Efforts have been made to reach out to parents more often through extensive use of mobile communication
Student's Discipline Control Measures	Student Counseling Centre is strengthened to address on any issue concerning students' behavior inside the campus
Empowerment of Students with soft skills	Suitable measures such as bilingual teaching methods, teaching of basic grammar is done more aggressively for UG students to address issues emanating from vernacular medium educational background.
Opaqueness in Examination System	Concerns allayed by orienting the parents on the Examination system in place and the same is mentored by the University

**ALUMNI:**

<b>Grievances Raised</b>	<b>Remedial Measures Initiated</b>
Lack of relevance of Curriculum with job market	The concern was addressed by promising to take up more skill-oriented programmes in align with curriculum
Dearth of College Enabled Placement Opportunities	The grievance was referred to Placement in- charge for suitable follow up measures
More Alumni Engagement Measures	Alumni Meetings Schedules are more structured and the Departments are given greater say in organizing such meetings as per their convenience
Lack of Alumni Sponsored / Co-ordinated Academic Programmes	The grievance was referred to College Academic Council for deliberations and necessarily follow up.
